

Privacy statement

Declaration concerning information obligation

The protection of your personal information is very important to us. That is why we only process your data on the basis of the legal requirements (DSGVO, TKG 2003). In this privacy policy we inform you about the most important aspects of data processing on our website.

Please contact us

If you contact us via a form on the website or by e-mail, your data will be kept for six months to process the request and in case of follow-up questions. We will not share this information without your permission.

Data usage

The personal data you provide (such as name, address and e-mail address) will be used by us as follows:

To book an accommodation, you must provide your contact details. You only need to indicate the highlighted fields (name, address and e-mail address, as well as the name and possibly age of the traveler) and information regarding the request (eg period of stay). Additional information (such as telephone or fax numbers) is not required.

Web analytics

Our website uses functions of the web analysis service Google. For this purpose, cookies are used that allow an analysis of the use of the website by your users. The information generated thereby is sent to the server of the provider and stored there. You can prevent this by setting your browser so that no cookies are stored. We have entered into a corresponding contract for data processing with the provider. Your IP address is collected but made anonymous [for example by deleting the last 8 bits]. As a result, only a rough localization is possible. Data processing takes place on the basis of the legal provisions of § 96 (3) TKG and Article 6, paragraph 1. a (permission) and / or f (legitimate interest) of the AVG. Our concern in the sense of DSGVO (legitimate interest) is to improve our offer and our website. Because the privacy of our users is important to us, the user data is made anonymous. The user data is stored for 18 months. See the Google Analytics conditions or the Google Analytics overview for more information about the conditions of use and privacy. In addition, you can prevent Google from collecting the data generated by the cookie that relate to your use of the website (including your IP address) and the processing of this data by Google by downloading the browser plug-in available via the following link and install:

Google Maps

This website uses Google Maps API to visually display geographic information. When using Google Maps, Google also collects, processes and uses data about the use of the Maps functions by visitors to the websites. For more information about Google's data processing, see Google's privacy policy: www.google.com/privacypolicy.html. There you can also change your settings in the privacy center, so that you can manage and protect your data. For more information about managing your own data related to Google products, visit the Google-driven website www.dataliberation.org.

SSL encryption

Our website uses SSL encryption for security reasons and to protect the transfer of sensitive content, such as the requests that you send us as a site operator. An encrypted connection is indicated by the address bar of the browser that changes from "http: //" to "https: //" and the lock icon in your browser bar. If SSL encryption is enabled, the information you provide cannot be read by third parties.

Social plugins

Purpose: this website may contain plug-ins on the social networks Facebook, Youtube and Instagram of Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA ("Facebook"), YouTube, LLC. 901 Cherry Ave. San Bruno, CA 94066. US ("YouTube") and Instagram, 181 South Park; San Francisco, California 51107 USA ("Instagram") and through which messages can be sent to the corresponding social network with a button. If you are logged into one of these networks and then call up a page with such a function, your browser will connect to this social network and the social network can link the visit to the page to your account on the correct social network. If you do not want that, visit our websites without being logged into one of these social networks.

Your rights

You have the right to information, correction, deletion, restriction, data portability, revocation and opposition. If you believe that the processing of your data is in violation of the data protection law or that your data protection claims have been violated in another way, you can file a complaint with the supervisory authority. In Austria this is the Datenschutzbehörde.
